Design our own clothes within Roblox: similar to the above, but in this case with the distinctive fact that we will need to have a Roblox Premium subscription to be able to design and publish clothing pieces for the game's avatars online. Once in the store, we can get up to 70% of the value of each purchase once they are made.

Charge for skill passes in our games— Going back to creating our own game within Roblox, we can elevate the experience an additional notch by designing special abilities, characters, and more that are only available if visiting players pay a certain price. This may be a better idea than charging an initial ticket to access the game.

Roblox Corp. recently went public as well, which raised the company's market cap to \$38 billion. The company went public via a direct listing instead of an initial public offering and the company's stocks were trading over 40% higher than the price during the private financing round. As the game continues to grow, the developers have a number of things planned for the game, including a display name change update and a voice chat feature.

The best method of changing your Roblox username is to purchase one month of Roblox Premium. This costs \$9.99 and gives you 1,000 Robux plus a host of other exclusive member benefits. After that, you can use the

Robux to change your username and take advantage of all the other benefits for the month you're subscribed to Roblox Premium. Once you've got the Robux, the following method is how you change your username:

It's on PC, Mac, iOS, Android, Xbox One (and, by extension, Xbox Series X / S), and you can even play in VR using the Oculus Rift and HTC Vive. It's free to download, though buying Robux costs real money.

The need for entertainment and virtual connection during the pandemic brought a huge number of new players as well, especially with additions like Roblox's dedicated space for virtual birthday parties.

That might have been just legal manoeuvring, but the question will eventually arise: who gets to decide what appears on the Metaverse? Given Roblox's significant audience of under-13s, the company is understandably keen on safety, employing over 3,000 people around the world to screen for inappropriate content. That is good news if you're a parent, but bad if you're a creator in a hypothetical future where a moderated Metaverse becomes the primary conduit for entertainment consumption and your work is judged sufficiently inappropriate.

Option two would be to buy a Robux gift card. These are available in many retail outlets and are another secure way of purchasing Robux. Gift cards are a great way to buy someone Robux as a gift and they can be easily activated on any account.

There are, however, a few easy things you can do to minimise the risk. First off, as mentioned above, don't tell your kid the password to their Roblox account. The reason behind this is the 'free Robux' scams that proliferate the internet. These sites get your details by disguising themselves as sites that look like an official Roblox page and encourage people to log into their Roblox account via their page to claim 'free Robux'. If you do this you have just given the scammers all of the information they need to take over the account and clear it out. No matter how tempting these sites are you need to know that there is NO SUCH THING AS FREE ROBUX. Only purchase Robux using the methods mentioned before.

I appreciate that reading this may make Roblox sound like a scary place for your kids to spend their digital time in but rest assured this is not the case. If you follow the steps above and educate your kids on how to stay safe and let you know when something isn't right, they will have a great time playing any of the games on the platform. My son has even got me playing with him and this can be a great way to fully understand what it is your kids are doing.

As in any service game with similar characteristics, in Roblox we find a system free-to-play con micropagos internos to obtain various items, skins and others. Roblox has 43 million daily active users, Fortnite 25 million, and Facebook Oculus-powered Horizon could potentially tap into billions. All of them might style themselves as Metaverses, but they are not – yet – interoperable with one another. This is an aspect that Bartle feels is antithetical to his definition of the thing. “You can't have a Metaverse, you have to have the Metaverse,” Bartle says.

One of the most attractive aspects of Roblox is the way it lets players create and market their games on the platform.
